

## Hauling Freight Policy

### *Purpose*

Provide a Standardized directive for accepting freight for fee and the hauling of items other than people for a fee.

### *Scope*

This directive shall apply to all items being transported by St. George Shuttle other than passengers from one point to another and shall standardize this practice sufficiently to provide guidelines to all reservationists and drivers and any other personnel associated with transportation policies for St George Shuttle.

1. St George Shuttle is not in the business of hauling freight for a fee.
2. When making reservations passengers shall be notified of the luggage quantities and types, per STG Shuttle's telephone guidelines. When accompanied by a passenger freight is welcomed at the standard rate of \$5 per item.
3. Unaccompanied items shall meet the following specifications in order to be included with any trip:
  - o Weight. less than 5#.Total
  - o Dimensions (height + Depth + Length) Less than 26 inches.
  - o No single dimension shall be Greater than 12 inches
  - o No food stuffs of any kind.
  - o A liability form shall be completed by any person or persons for every shipment
4. The cost per item shall be a standard \$25.00 or \$20 for small envelopes.
5. Items being shipped or transported need to be disclosed to the reservation. If there is not enough room on the shuttle for it due to passenger luggage, item will be transport on the next available space.
6. Exceptions to this policy shall be: Companies who have a standing agreement with STG Shuttle including a credit card on file with the Shuttle and which the Shuttle can and shall charge to at the time the reservation is made. There shall be no COD's of any kind for any customer.
7. No motorized vehicles shall be transported on any van or trailer.
8. **Be it known to all customers: Such packages shipped under this policy are uninsured and St. George Shuttle has no liability for any loss or damage.**
